Objective:

Looking for a challenging career like yours which demands the best of my professional ability in terms of technical, and problem-solving skills.

About:

My name is Mohd Ali Abbas. I am a curious learner, I achieved 1st prize in the core Java project. I have completed HTML, CSS, JavaScript and MySQL from Coursera and develop many frontend pages i.e, Google Search, Gym Home Page, customized page(my most visited websites).
I have a **gold batch in python, a bronze batch in MySQL, silver batch in problem-solving**
I made a project on python using Tkinter i.e, desktop application of Hotel Management
